We are all blessed with special gifts and talents from God. By registering to be members of St. Francis of Assisi Parish, you are committing yourself and your family to this community by being active in ministry and tithing your treasure to the church. Without the active participation of our ministers and the financial support of each member, this parish would be a shell to hold Mass and not a vibrant beating heart to our faithful and the extended community. In the spirit of Saint Francis of Assisi, let us work together to build a renewed and inspired Church.

Please check the ministries you and your family would like to participate. Someone will contact you with more details.
